Legal Notice

DISCLAIMER OF LIABILITY (HOLD HARMLESS CLAUSE)

1. Content of the online offer

The author reserves the right not to be responsible for the topicality, correctness, completeness or quality of the information provided. Liability claims against the author, which refer to damages of material or immaterial nature caused by use or disuse of the information or the use of incorrect or incomplete information are excluded, unless the author is not intentional or grossly negligent fault. All offers are subject to change and non-binding. Parts of the pages or the complete publication including all offers and information might be extended, changed or partly or completely deleted by the author without separate announcement.

2. References and Links

Links" to other pages have been included in the www-offer of Roland Gropp ProEntertainment. The author does not assume any liability for the contents of the external pages, but dissociates himself in principle from the contents of the listed sources (unless this is expressly noted with an addition). The author is also not liable for untruths or legal violations on cited external websites. This declaration applies to all links displayed on our website and to the content of the websites to which the links lead.

The author is not responsible for any contents linked or referred to from his pages - unless he has full knowledge of illegal contents and would be able to prevent the visitors of his site from viewing those pages. The author hereby expressly declares that at the time the links were created, no illegal content was identifiable on the linked pages. The author has no influence on the current and future design, content or authorship of the linked pages. Therefore, he hereby expressly dissociates himself from all contents of all linked pages that were changed after the link was set. This statement applies to all links and references set within the author's own Internet offer as well as to external entries in guest books, discussion forums and mailing lists set up by the author. For illegal, incorrect or incomplete contents and especially for damages resulting from the use or non-use of such information, only the provider of the linked page is liable, not the one who has linked to the respective publication.

3. Copyright and Trademark Law

The author endeavors to observe the copyrights of the graphics, sound documents, video sequences and texts used in all publications, to use graphics, sound documents, video sequences and texts created by himself or to use license-free graphics, sound documents, video sequences and texts.

All brand names and trademarks mentioned on the website and possibly protected by third parties are subject without restriction to the provisions of the applicable trademark law and the ownership rights of the respective registered owners. The mere mention of a trademark does not imply that it is not protected by the rights of third parties!

The copyright for published objects created by the author himself remains solely with the author of the pages. Any duplication or use of objects such as diagrams, sounds or texts in other electronic or printed publications is not permitted without the author's agreement.

4. Data Protection

If the opportunity for the input of personal or business data (email addresses, name, addresses, telephone numbers) is given, the input of these data takes place voluntarily. The use and payment of all offered services are permitted - if and so far technically possible and reasonable - without specification of any personal data or under specification of anonymized data or an alias.

5. Privacy Policy for the Use of Google Analytics

This website uses Google Analytics, a web analytics service provided by Google LLC. ("Google") 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA. Google Analytics uses "cookies", which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of this website is usually transmitted to a Google server in the USA and stored there. In the event that IP anonymization is activated on this website, however, your IP address will be truncated beforehand by Google within member states of the European Union or in other contracting states to the Agreement on the European Economic Area.

Only in exceptional cases will the full IP address be transmitted to a Google server in the USA and shortened there. On behalf of the operator of this website, Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity and providing other services relating to website activity and internet usage to the website operator. The IP address transmitted by your browser as part of Google Analytics will not be merged with other data from Google.

You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full functionality of this website. You can also prevent the collection of data generated by the cookie and related to your use of the website (including your IP address) to Google and the processing of this data by Google by downloading and installing the browser plugin available at the following link: <https://support.google.com/analytics/answer/181881?hl=en>.

6. Privacy Policy for the Use of Facebook plugins (Like button)

Plugins of the social network Facebook, 1601 South California Avenue, Palo Alto, CA 94304, USA are integrated on our pages. You can recognize the Facebook plugins by the Facebook logo or the "Like button" ("Like") on our page. You can find an overview of the Facebook plugins here: <http://developers.facebook.com/docs/plugins/>.

When you visit our pages, a direct connection is established between your browser and the Facebook server via the plugin. Facebook thereby receives the information that you have visited our site with your IP address. If you click the Facebook "Like" button while logged into your Facebook account, you can link the content of our pages on your Facebook profile. This allows Facebook to associate the visit to our pages with your user account. We would like to point out that we, as the provider of the pages, have no knowledge of the content of the transmitted data or its use by Facebook. For more information, please refer to the privacy policy of facebook at <http://de-de.facebook.com/policy.php>.

If you do not want Facebook to be able to associate your visit to our pages with your Facebook user account, please log out of your Facebook user account.
